

KODAK Snapic A1

35mm Film Camera

Quick Clicks, Sharp Pics

The KODAK Snapic A1 is our first full-frame film camera release featuring a glass lens and numerous automatic functions such as auto wind and rewind and auto flash etc. Equipping a high-quality 3-element glass lens, the Snapic A1 ensures stunning clarity and detail in every shot. It also features 2-zone focus, allowing for a quick adjustment between landscape and close-up settings. The unique double exposure function also invites creative expression by blending two scenes into one captivating image.

With the minimalistic outlook, the understated colors reflect a sleek simplicity that enhances its modern design. It also speaks for convenience and versatility; its lightweight and compact structure makes it easy to carry on any adventure. Plus, attaching the included neck strap ensures you never miss a moment - whether you're exploring city streets, attending events, or enjoying nature. Experience the joy of photography with the KODAK Snapic A1 - where quick clicks meet sharp pics!
